

GRANT APPLICATION FORM

Grant Report Narrative

In your reporting, please provide detail on the number of total participants served and number of SWMEC participants served.

Your report should address the following questions:

- What activities were supported by the grant? Did they differ from those proposed?
- What were the outcomes of the program? Are they different from those intended?
- Describe the successes and challenges encountered.
- Based on your outcomes, will your program/project be making any changes to its programs?

Financial Documents:

- Please include, a financial statement showing all income and expenditures relating to the grant.
